## SALA KWA DUNIA YETU

**E** Mungu Muumba mwenye nguvu zote, uliye ndani ya vitu vyote ulimwenguni ikiwa ni pamoja na viumbe vyako vile vidogo zaidi

Huruma zako zinakumbatia vyote vinavyoishi na vilivyo hai.

Tunyunyuzie uwezo wa upendo wako,

ili tuweze kulinda maisha na umaridadi wake.

Tujaze amani yako, ili tuishi kama ndugu wa kiume na wa kike, bila kumduru yeyote.

E Mungu mfadhili wa maskini, tusaidie kuwaokoa waliotelekezwa na kusahaulika katika dunia hii,

wenye thamani kubwa machoni mwako.

Tupe uponyaji maishani mwetu,

ili tuitunze dunia na wala tusiiharibu,

kwamba tuvune umaridadi,

wala sio uchafuzi na uharibifu.

Gusa nyoyo za wale ambao hutafuta kufaidika wenyewe pekee bila kuwajali maskini wa dunia.

Tufundishe kuvumbua thamani ya kila kitu,

tujazwe heshima na kutafakari,

kutambua kwamba tumeunganika pakubwa

na kila kiumbe tunaposafiri kuelekea kwenye mwangaza wako usio na mwisho.

Tunakushukuru kwa kuwa nasi kila siku.

Tupe moyo, tunakuomba, katika harakati zetu,

za kutafuta haki, upendo na amani.

*Sala hii ilichapishwa katika waraka wa kitume wa Baba Mtakatifu Francis, **Laudato Si'**. Ni sala ya wote wanaomwamini Mungu Muumba mwenye nguvu zote.*

## UMOJA KATIKA TOFAUTI ZETU: KUJENGA UJIRANI MWEMA

**W**atu wa Mungu, uchaguzi mkuu wa 2022 unakaribia. Hali ya wasiwasi ambayo ni ya kawaida kila mara uchaguzi unapobisha isipokabiliwa kikamilifu ipasavyo, ni hatari kwa umoja na mshikamano wa taifa letu.

Hatufai kamwe kusahau tulikotoka. Mnamo siku zilizopita, tumepoteza maisha ya wengi, wakiwemo watoto. Watu wamefukuzwa kutoka makwao, wengine wakapata majeraha yaliyowafanya vilema na kupatwa na magonjwa ya akili, hasa mnamo 2007/8 kufuatia kutangazwa kwa matokeo yaliyozozaniwa ya kura ya urais. Na hata uchaguzi uliofuata wa 2013 na 2017 ulikuwa na changamoto zake. Kumbukumbu za matukio hayo zinaumiza nyoyo na fikra na hatuna budi kuazimia kujikinga kutokana na kundi lolote au mtu binafsi mwenye nia ya kuvuruga amani yetu.

Uchaguzi hufanyika na kumalizika. Lakini kuna dosari za shughuli hizo za awali ambazo tunapaswa kuzika na kuhakikisha haziathiri kura zijazo. Maisha yetu hayafai kamwe kuvurugwa na shughuli zo zote, hata ziwe muhimu kiasi gani. Ndiposa tunaangazia kwa njia ya kipekee jinsi uchaguzi mkuu wa mwaka huu utafanyika. Tukishirikana na maaskofu wetu katika mradi wao wa amani, sote tunapaswa kuungana kuhakikisha uchaguzi unafanyika kwa amani, bila kujali washindi ni nani kuanzia ngazi ya wajumbe wa kaunti hadi urais.

Tutaangazia suala la **Wajibu wa Kiraia** katika **Wiki ya Kwanza**. Hili ni jambo ambalo linahusu matendo na mwelekeo wetu katika jinsi utawala wa kidemokrasia unavyoendeshwa na vile tunashiriki kama jamii katika shughuli za maendeleo za Serikali, Kanisa na jamii kwa jumla kwa lengo la kuimarisha hali ya wananchi.

Tunatekeleza hayo kwa kuelimisha watu wetu waliotimiza umri wa kupiga kura kuhusu haki za kiraia na upigaji kura. Elimu hiyo inawalenga pia maajenti ambao wana jukumu la kuhakikisha haki na amani zinadumishwa wakati wa shughuli za kampeni, siku ya upigaji kura na baada ya matokeo kutangazwa.

Katika **Wiki ya pili**, tutaliangazia suala la **Wote kuheshimu utawala wa sheria** ambalo ni msingi wa kufikia huduma za umma, kupigana na ufisadi na kuimarisha usawa na haki katika ugawaji wa rasilmali nchini. Ni mojawapo ya vigezo vya kuamua kiwango cha hali ya nchi na utawala wake.

Ulunguzi wa binadamu ni tabia ya kishenzi iliyopitwa na wakati. Miaka mingi iliyopita, kuuza watu utumwani kulikubalika kuwa biashara halali. Lakini yasikitisha kukuta kwamba shughuli hiyo ya kinyama inazidi kuimarika katika nchi yetu. Vijana wa kiume na wa kike wanasafirishwa kutoka nchini na kupelekwa mbali kufanya kazi lakini wanaishia kuwa watumwa. Tukiwa Wakristo, tunao uwezo wa kushirikiana na serikali, na mashirika yanayopinga watu wetu kuuzwa utumwani kwa lengo la kuhakikisha vijana wetu hawanaswi na mtego wa magendo hayo. **Ulunguzi wa binadamu**, mada yetu ya mjadala wa **Wiki ya tatu**, ni jambo linalomgusa kila mmoja wetu, awe maskini au tajiri.

**Wiki ya nne** tutashughulikia mada nyingine mbili ambazo ni muhimu kwa Kanisa. Ni jambo linaloleta aibu kukuta kwamba katika karne ya 21, bado kuna watu nchini Kenya ambao hawawezi kupata angalao sahani moja ya chakula kwa siku. **Kujitosheleza kwa chakula** katika nchi yetu ni jambo linaloweza kufanikishwa. Mungu ametubarikia ardhi yenye rutuba, wananchi wenye bidii na ari ya kazi na mazingira yafaayo kwa uzalishaji wa chakula cha kumlisha kila mtu. Lakini kwa bahati mbaya, tunayo changamoto; tumemaliza misitu kwa ukataji ovyo na haramu wa miti, tumejenga kando kando ya mito na kuimarisha shughuli zetu mbali mbali kwenye ardhi ambazo zinafaa kuhifadhiwa ili kutupatia hewa safi na hasa katika maeneo ya miji. Baba Mtakatifu Francis, kwenye waraka wake wa kitume *Laudato Si*, anatumuhimiza kukumbuka kwamba ni jukumu letu kumtuza mama wetu ardhi. Mabadiliko ya hali ya anga ni halisi. Tunapaswa kushirikiana kuhahakikisha hatuyaharibu maumbile ambayo hatimaye yatatumiza. Inawezekana kutafuta mbinu za kuyafufua mazingira na kuyajenga upya kwa manufaa yetu na ya vizazi vijavyo.

Katika **Wiki ya tano** tutatilia mkazo umuhimu wa kuhakikisha vijana wetu hawatumiwi vibaya na wanasiasa na kufuata kiholela porojo za kisiasa kama inavyoelezwa kwenye mjadala wa **Vijana na uchaguzi wa amani**. Tumeshuhudia jinsi wanaowania nyadhifa za kisiasa wamewatumia vijana kuhusika na matendo maovu kama

vile kuwakashifu wapinzani wa wadhamini wao, kuwashambulia wanaoshukiwa kuwa maadui na hata kuwadhuru watu wasio na hatia.

Vijana wetu wanapaswa kuwa nguzo muhimu katika mradi wetu wa elimu ya haki za uraia na upigaji kura. Wana uwezo na nguvu za kuhimiza kudumishwa kwa amani miongoni mwa wanasiasa wa milengo tofauti na mawazo yanayopingana.

Ni wajibu wetu tukiwa Kanisa kuhakikisha kwamba vijana wanatimiza jukumu la kuinufaisha jamii wakiwa raia ambao wana uwezo wa kuamua jisni maisha yao ya siku zijazo yatakuwa.

Tunawaalika nyote kuutumia msimu huu wa Kwaresima kuombea amani na uelewano katika nchi yetu na kushiriki katika matendo ambayo yatatuhakikishia umoja wa taifa na kuimarisha ujirani mwema.

Nawatakieni nyote, enyi wapendwa watu wa Mungu, msimu wa Kwaresima uliojazwa Roho wa Mungu na wenye mafao.

# UTANGULIZI

## **Kwaresima katika Kanisa Katoliki**

**K**waresima ni kipindi cha siku 40 cha kufunga na kujinyima, kusali na kutubu kabla ya Pasaka. Kulingana na utamaduni wa Kikristo, msimu huu katika mwaka wa kiliturjia huanza Jumatano ya Majivu na kumalizika Jumapili ya Matawi. Ni adhimisho la kila mwaka ambalo huwatayarisha waumini – kupitia sala, toba, kutoa zaka na kujinyima – kwa matukio yanayohusiana na mateso ya Yesu msalabani, na maadhimisho ya ufufuko wake. Wakatukumeni hubatizwa Jumapili ya Pasaka.

## **Kwa nini siku 40?**

**N**ambari 40 ni muhimu katika maisha ya Wakristo. Musa na wana wa Israeli, kwa mfano, walitanga jangwani kwa miaka 40 wakijiandaa kwenda katika nchi waliyoahidiwa na Mungu. Musa alikaa juu ya Mlima Sinai kwa siku 40 bila kula wala kunywa alipokuwa ameenda kupokea vibao vya mkataba ambao Mungu aliwawekea Waisraeli. Nyakati za Nuhu, gharika iliendelea kwa siku 40 mchana na usiku. Eliya alikaa siku 40 mchana na usiku juu ya Mlima Horebu bila chakula. Yesu naye alienda jangwani na kufunga kula na kunywa kwa siku 40 mchana na usiku.

## **Asili ya Kampeni ya Kwaresima Kenya**

**K**uzingatia wito wa kiroho wa msimu wa Kwaresima, Kanisa Katoliki katika Kenya liliazimia kuwapasha waumini habari kuhusu matatizo yanayokumba jamii na kushirikiana nao kutetea mabadiliko. Kupitia kwa Kampeni ya Kwaresima, Maaskofu wa Kanisa Katoliki huwaita Wakristo wote na watu wa mapenzi mema kuungana na kukabiliana na matatizo hayo, huku wakitetea mabadiliko. Kwa kuungana na maaskofu katika utetezi huo wa mageuzi, juhudi za kila mtu binafsi pamoja na sauti ndogo ya kila mmoja ikiunganishwa na ya wengine husikika mbali, nayo matendo ya kila mmoja huongezeka yakijumuishwa na ya wengine.

# UFAFANUZI

## MAFUNDISHO YA KANISA KATOLIKI KUHUSU JAMII

**M**afundisho ya Kanisa Kuhusu Jamii ni mashauri ya thamani na ya busara kuhusu jinsi ya kujenga jamii yenye haki na inayozingatia maisha matakatifu bila kujali changamoto za jamii ya kisasa. Mafundisho haya yamekuwa yakitolewa kupitia kwa nyaraka za kitume za Baba Mtakatifu, daftari za Vatican Council II na taarifa za mabaraza ya maaskofu ambazo mada zake kuu ni:

### **Maisha na hadhi ya binadamu**

Kanisa Katoliki hutangaza kwamba maisha ya binadamu ni matakatifu na hadhi ya mtu ndiyo msingi wa maadili na unyoofu wa jamii. Imani hii ndiyo msingi wa kanuni zote za mafundisho yetu kuhusu jamii. Katika jamii yetu, maisha ya binadamu yametishiwa na utoaji wa mimba na vifo vya huruma. Thamani ya maisha ya binadamu inatishiwa na mtindo wa kupata viumbe kutoka kwa kiumbe kimoja bila kuunganisha mbegu za kiume na mayai ya kike, utafiti wa seli za viinitete, na adhabu ya kifo. Ni makosa kuwalenga makusudi raia wakati wa vita au kwa mashambulizi ya kigaidi. Mafundisho ya Kanisa yanatuhimiza pia kujitahidi kuepuka vita. Ni lazima mataifa yalinde haki ya uhai kwa kutafuta mbinu thabiti za kuzuia na kusuluhisha migogoro kwa amani. Tunaamini kwamba kila binadamu ana thamani kubwa, watu ni muhimu zaidi kuliko mali, na kipimo cha kila jamii ni iwapo inatishia au inaimarisha maisha na hadhi ya mwanadamu.

### **Wito kwa familia, jamii na ushiriki**

Binadamu sio tu mtakatifu lakini pia anaishi katika jamii. Mpangilio wa jamii kiuchumi, kisiasa, kisheria na sera hugusa hadhi ya kila mtu na kuathiri uwezo wa watu binafsi kukua katika jamii. Ndoa na familia ni nguzo kuu za jamii na ni lazima ziungwe mkono na ziimarishwe, wala sio kudunishwa. Tunaamini watu wana haki ya kushiriki katika jamii, na kushirikiana kwa manufaa ya wote, na hasa maskini na wasio salama.

### **Haki na wajibu**

Utamaduni wa Kikatoliki hutufundisha kuwa hadhi ya binadamu inaweza kulindwa, nayo jamii imara hupatikana tu iwapo haki za

binadamu zitahifadhiwa na majukumu kutekelezwa. Ndiposa kila binadamu ana haki ya kimsingi ya uhai na vyote anavyohitaji kwa maisha ya heshima. Kwa upande mwingine tunayo majukumu na wajibu kwa wengine, familia na jamii yote.

### **Haki ya kuwajali maskini na wasio salama**

Mtihani wa kimsingi wa mwelekeo wetu kimaadili ni hali ya wasio salama na wanaojipata katika tishio la kuumizwa. Kwenye jamii inayokumbwa na migawanyiko mikubwa kati ya matajiri na maskini, utamaduni wetu unatukumbusha simulizi kuhusu Hukumu ya Mwisho (Mathayo 25:31-46) na kutuamuru kuyapatia kipaumbele mahitaji ya maskini na wasio salama.

### **Hadhi ya kazi na haki za wafanya kazi**

Ni lazima uchumi uwahudumie watu, wala sio watu kutumikia uchumi. Kazi sio tu mbinu ya kujipatia riziki maishani; ni njia ya kuendelea kushirikiana kuchunga yote yaliyoumbwa na Mungu. Ili kulinda hadhi ya kazi, haki za kimsingi za wafanya kazi wote ni lazima ziheshimiwe, nazo ni pamoja na haki ya kazi yenye tija, mishahara ifaayo na ya haki, kulindwa kwa mali binafsi na juhudi za kiuchumi.

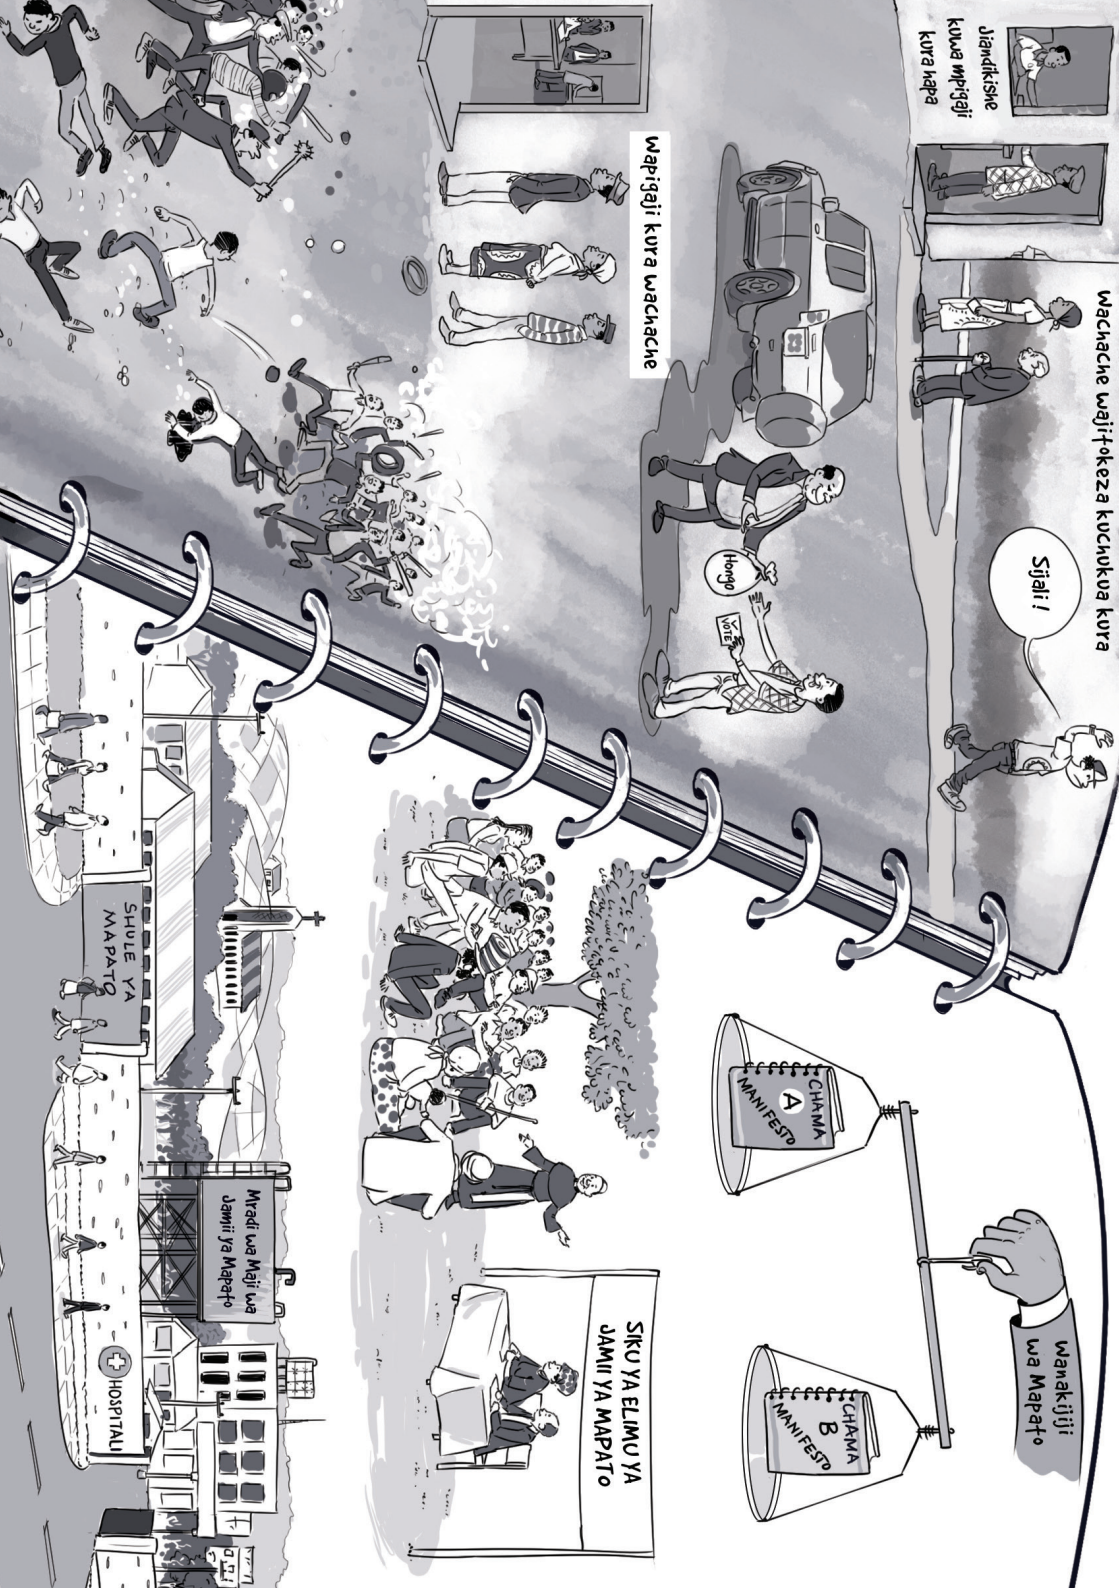

### **Umoja na mshikamano**

Sote tu familia moja ya wanadamu, bila kujali uraia, rangi, hali ya kiuchumi na tofauti za kimawazo. Sisi ni waangalizi wa ndugu zetu wa kiume na kike popote walipo. Kupenda majirani ni tendo lenye mwelekeo wa kimataifa katika ulimwengu wetu unaozidi kuwa mdogo. Kiini cha tendo adilifu la umoja na mshikamano ni kuzingatia haki na amani. Baba Mtakatifu Paulo VI alitufundisha kwamba ukitaka amani, fanya bidii kutenda haki. Injili inatusihi tuwe waleta amani. Ili kuonyesha upendo kwa ndugu zetu wa kiume na kike, na lazima tuimarisha amani katika dunia yetu iliyojaa migogoro na fujo.

### **Kutunza vyote vilivyoubwa na Mungu**

Tunaonyesha heshima kwa Muumba wetu kwa jinsi tunasimamia vitu vyote alivyoviumba. Kuitunza ardhi ni kanuni muhimu ya imani yetu. Tunatakiwa kulinda watu na dunia, kwa kuishi tukitunza imani yetu kwa kuheshimu vyote vilivyoubwa na Mungu. Changamoto hii ya kimazingira ina mwelekeo muhimu wa kimaadili ambao hauwezi kupuuziliwa mbali.

# WIKI YA KWANZA WAJIBU WA KIRAIA

## **TAZAMA: SIMULIZI**

**W**anakijiji wa Mapato wakiwachagua viongozi wao, walitilia mkazo tabia, heshima na maadili ya kila aliyekuwa akitafuta uongozi. Walijitahidi kudumisha sifa hizo kwa kujiheshimu kibinafsi na kama mizani ya kuchuja wote waliotamani kuwaongoza. Walikusanyika kila mara kujadili masuala ya jamii na walifuata kanuni na sheria katika harakati za kuchukua maamuzi. Watoto na vijana walidumisha taratibu hizo kila mahali, iwe ni shuleni au kwenye shughuli za kila siku za maisha. Wote waliishi kwa amani na uelewano.

Mawimbi alirejea nyumbani kutoka ng'ambo baada ya kumaliza masomo. Ingawa alitamani uongozi wa kisiasa, hakufikia kiwango kilichohitajika kijijini. Alikuwa ameathiriwa pakubwa na taratibu za uongozi za kigeni na kuyasahau mengi muhimu kijijini. Uchaguzi ulipokaribia, wanakijiji walianza harakati za kawaida za kumtafuta kiongozi. Mawimbi hakuwa miongoni mwa wagombeaji walioteuliwa. Alipotambua tatizo lake, akaamua kuhonga wafuasi. Hatimaye alichaguliwa, bila kuijali manifesto yake duni.

Chini ya uongozi wa Mawimbi, usimamizi wa rasilmali ulikuwa mbaya na zilitumiwa vibaya. Mikutano ya jamii kujadili miradi iliyopendekezwa na masuala ya jamii haikufanyika tena. Ndiposa wakazi wakagundua kosa lao la kutupilia mbali maadili yao ya thamani na kupuuzilia jukumu la kufanya uteuzi bora. Uchaguzini uliofuatia, mbinu ya Mawimbi ya kutumia pesa akitaraji kununua ufuasi haikumsaidia, kwani hakuchaguliwa tena.

## **AMUA: UTATHMINI WA HALI HALISI**

Katiba ya Kenya katika utangulizi, inatambua matarajio ya Wakenya kwa Serikali iliyo na misingi bora ya haki za binadamu, usawa, demokrasia, haki za kijamii na utawala wa kisheria; wakitumia uhuru wao na haki yao ya kuamua aina ya uongozi wanaotaka.

Wajibu wa kiraia unahusu matendo na michango yetu kwa utawala wa kidemokrasia, na ushirika wetu katika shughuli za maendeleo za Serikali, Kanisa na jamii kwa jumla kwa lengo la kuimarisha hali ya wananchi. Tushiriki katika taratibu za kidemokrasia kwa

kuwachagua viongozi au sisi kuchaguliwa ili kuhakikisha uongozi bora unadumishwa. Tunaweza pia kujitolea kuwa wanachama wa mashirika ya jamii, kushiriki katika mijadala ya kitaifa, kuzuia na kupigana na ufisadi na kuimarisha utumiaji bora wa rasilimali.

Kenya inakumbwa na tatizo la watu kujali tu maslahi ya kibinafsi ya kisiasa na kuwafanyia wengine njama. Ufisadi umeenea kote katika mashirika ya umma na ya binafsi. Wapigaji kura wengi hawana imani tena kwamba taratibu za kisiasa zina manufaa yoyote kwao. Wameamini kuwa juhudi zozote za kujaribu kuleta mabadiliko ni kazi bure. Hali hiyo huenda imewavunja wengi moyo wa kuyajali majukumu ya kitaifa. Matokeo ya watu binafsi au makundi kukata tamaa ya kupiga kura au kubeba majukumu mengine ya kitaifa ni kuchaguliwa kwa viongozi dhaifu.

Ili kukabiliana na tatizo la wapigaji kura kususia uchaguzi na wananchi kupuuza majukumu yao ya kiraia, kila mmoja wetu anafaa kuzingatia sheria. Kifungu 10 (2) (a) cha Katiba kinaelezea maadili ya kanuni za uongozi, nazo ni pamoja na uzalendo, umoja wa kitaifa, kushirikiana, ugatuzi wa mamlaka, utawala wa sheria, demokrasia na kushiriki kwa watu. Kifungu 81 kinatoa kanuni za jumla za mfumo na utaratibu wa uchaguzi. Kifungu 38 kinampa kila raia uhuru wa kuwa na uchaguzi wa kisiasa, na haki ya kuunda, au kushiriki katika uundaji na shughuli za chama cha kisiasa.

Mafunzo ya Kanisa Kuhusu Jamii pia yanatukumbusha na kuhimiza haja ya kutilia maanani jukumu letu la kiraia kwa lengo la kuimarisha manufaa kwa wote, kuheshimu haki isiyofaa kukiukwa ya hadhi ya uhai wa binadamu na kuwajali maskini.

Tukiwa raia wanaowajibika, tunapaswa kujitahidi kutathmini na kuchagua viongozi wafaa na wanaojali kanuni za utumishi kwa wanadamu na kwa usimamizi thabiti wa maumbile na mazingira.

## **TAFAKARI YA KIROHO**

**Kumbukumbu la Sheria 26:4-10**

**Waroma 10:8-13**

**Luka 4:1-13**

Katika Injili ya leo, Yesu anamwambia shetani wazi wazi asithubutu kumjaribu Bwana, Mungu wetu. Mtakatifu Paulo akiwaandikia Wakristo wa Roma anawahimiza kuhusu jinsi wanapswa kuishi maisha matakatifu. Anashauri: *“Msiige mitindo ya ulimwengu huu,*

*bali Mungu afanye mabadiliko ndani yenu kwa kuzigeuza fikira zenu. Hapo ndipo mtakapoweza kuyajua mapenzi ya Mungu na kutambua jambo lililo jema, linalompendeza kikamilifu” (Waroma 12:2).*

Kwaresima ni kipindi cha kukarabati mawazo yetu na kutambua mapenzi ya Mungu kwa kuweka nidhamu ya kiroho ya kutuwezesha tusiige mitindo ya ulimwengu. Ili kudumisha hadhi yetu kama raia binafsi na pia kwenye makundi, tuzingatia haki yetu asilia ya kujali masuala ya umma, ambayo ni pamoja na kushiriki kikamilifu katika shughuli za serikali na kutoa michango mahsusi kwa manufaa ya wote. Tunapaswa kuwa na uhuru wa kutekeleza wajibu wetu wa kiraia kikamilifu, huku lengo letu likiwa ni manufaa kwa wote.

Haja yetu kuu inapaswa kuwa ni kuelewa kikamilifu mahitaji ya jamii. Kumtiii Mungu na kuzingatia viwango vyake ni kuwa makini kufahamu jukumu letu maalumu na kamili katika jamii ya kisiasa. Wakristo wanafaa kuwa mfano dhahiri wa moyo wa uwajibikaji na kujitolea kwao kwa manufaa ya wote.

Raia wanapaswa kuendeleza kwa ukarimu na uaminifu moyo wa uzalendo bila kupuuza mawazo ya wengine. Kila mmoja anahitaji kila mara kudumisha maslahi ya wanadamu wote, bila kujali asili, mbari au uraia. Tunahitaji kujenga utamaduni ambapo raia hutamani na kubuni mpango wa pamoja ambao lengo lake si kunufaisha mtu binafsi au kutosheleza tamaa za kibinafsi. Tunahitaji kuchagua viongozi wa kisiasa wanaoweza kushauriana nasi kwa dhati na kikamilifu ili kufikia kina - na sio tu sura - cha maovu ulimwenguni. Wanasisia wetu wanapaswa kusumbuliwa akili kwa dhati na hali ya jamii, watu na maisha ya maskini.

Watu katika kila taifa wanahitaji kuendeleza hali za kijamii za maisha yao kwa kujitolea na kuwajibika, wala sio kufuata halaiki ambayo huyumbishwa na mashirika na makundi yenye kuzingatia maslahi ya kibinafsi. Uwajibikaji kiraia ni tendo adilifu na kushiriki katika shughuli za kisiasa ni wajibu. Watu binafsi na makundi mashinani wanaweza kuleta mabadiliko kamili. Wanaweza kuhimiza kiwango cha juu cha uwajibikaji, moyo wa kujali jamii, wawe tayari kulinda wengine, wawe na moyo wa kubuni na mapenzi yasiyo na kifani ya ardhi. Huwa wanajali pia urithi kwa watoto na wajukuu wao hatimaye. Jamii, kupitia kwa mashirika yasiyo ya serikali na makundi suluhishi, inapaswa kuishurutisha serikali kubuni sheria, kanuni na taratibu kali zaidi. Raia wasiposimamia mamlaka ya kisiasa katika ngazi za kitaifa, mikoja na kaunti, haitawezekana kudhibiti hasara na madhara hata kwa mazingira.

Sio kila mtu ameitwa kushiriki moja kwa moja katika maisha ya siasa. Jamii pia imebarikiwa kuwa na mashirika tofauti yasiyohesabika yanayofanya kazi kwa lengo la kuimarisha manufaa kwa wote na kulinda mazingira asili na watu wake. Katika shughuli hizi zote za kijamii, mahusiano hujengwa au kufufuliwa na mfumo mpya wa kijamii huibuka.

Hivyo basi, jamii inaweza kujinasua kutoka kwa hali ya kutojali inayosababishwa na ufujaji. Matendo hayo hujenga njia mpya ya kujitambulisha inayoandamana na simulizi liwezalo kukumbukwa na kupashwa wengine. Kwa njia hii, dunia na kiwango cha maisha ya walio maskini zaidi, hutunzwa kwa moyo wa umoja ambao wakati huo huo unatambua tunaishi sote katika makao ya pamoja ambayo Mungu alitukabidhi tutunze.

### TAZAMA: SIMULIZI

**M**istani alikuwa kiongozi wa Jimbo la Mashaka. Siku moja akiendeshea gari upande usiofaa wa barabara, kama alivyozoea, alimgonga mwendesha baiskeli aliyemitwa Mpole. Alitoroka na kuiacha motokaa yake katika eneo la ajali. Mashahidi walimwokoza Mpole lakini wakavunja madirisha ya gari lililomjeruhi na kutoroka punde tu polisi walipowasili. Mpole alipelekwa hospitali na Wasamaria wema na ikabidi akatwe miguu.

Mmoja wa mashahidi alinasa tukio lote kwa simu na kulisambaza moja kwa moja kupitia kwa mitandao ya kijamii. Picha hizo ziliwakasirisha wengi. Mashirika ya kupigania haki za binadamu na makundi mengine ya watetezi yalitaka Mistani ashtakiwe na wakashutumu walioharibu motokaa yake. Walitaka Mpole atendewe haki. Polisi walianzisha uchunguzi na kuwaalika mashahidi kuandikisha taarifa. Baadhi ya mashahidi waliogopa kujitokeza kwa sababu ya visa vya awali ambapo mashahidi katika kesi zilizohusu watu mashuhuri walitoweka na wasipatikane tena.

Mistani alitiwa nguvuni na kushtakiwa. Lakini kwa sababu ya wadhifa wake kisiasa na kuungwa mkono na viongozi wengine, aliondolewa mashtaka na kuachiliwa huru bila masharti. Vyombo vya habari havikumpa nafasi ya kupumua kwani viliendelea kuiangazia hali ya Mpole. Majeruhi huyo hangeweza kugharamia matibabu yake wala kukimu mahitaji ya familia yake kwa sababu ya majeraha aliyoyapata ajalini. Raia walifanya maandamano ya amani wakitetea haki na utawala wa sheria. Wengi walitia sahihi maombi ya mitandao ya jamii kuhimiza Mistani kufutwa kazi. Hatimaye Mistani aliachishwa kazi na miezi mitatu baadaye, haki ilitekelezwa wakati Mpole alilipwa fidia na Mistani akahukumiwa.

### AMUA: UTATHMINI WA HALI HALISI

Utawala wa sheria ni msingi wa kufikia huduma za umma, kupigana na ufisadi na kuimarisha usawa na haki kwenye ugawaji wa rasilmali katika maeneo yetu mbali mbali. Ni mojawapo ya vigezo vya kuamua kiwango cha hali ya nchi na utawala wake. Utawala wa kisheria unawapasa wote wenye mamlaka kuyatumia

kulingana na mipaka ya sheria na kuzingatia kanuni za umma zilizowekwa, wala sio kufanya mambo kiholela au kwa hiari yao au kuzingatia hali ya mawazo yao. Utawala wa sheria huitaka Serikali kuendesha shughuli zake kisheria na kuwajibika ipasavyo kila mara walio mamlakani wanapotenda kinyume. Raia nao wanapaswa kuheshimu na kuzingatia kanuni zote halali, hata kama hawakubaliani nazo.

Umoja wa Mataifa husisitiza kwamba utawala wa sheria unapaswa kuleta matokeo yanayotarajiwa na ya kufaa katika utendaji na matumizi kwa lengo la kujenga amani ya kimataifa, usalama na utulivu wa kisiasa. Mkataba wa Kimataifa wa Haki za Binadamu unakariri kwenye utangulizi wake hadhi asili na haki sawa kwa wanadamu wote zikiwa msingi wa uhuru, haki na amani ulimwenguni (UNDHR, 1948).

Mkataba wa Kiafrika wa Haki za Binadamu na Watu (ujulikanao pia kama Mkataba wa Banjul) unasisitiza umuhimu wa kuzingatia, kuimarisha na kulinda utawala wa sheria barani. Kadhalika, Ajenda 63 ya Muungano wa Afrika inatambua kuwa utekelezaji na ufanikishaji wake utabainishwa na serikali na taratibu ambazo huzingatia kikamilifu utawala wa sheria kulingana na kanuni bora zaidi za kimataifa.

Katiba inathibitisha mamlaka yote makuu ni ya wananchi wa Kenya na yanaweza kutekelezwa tu kulingana na sheria hii kuu. Hili linatekelezwa kupitia kwa kanuni zenye lengo la:

- » Kuimarisha na kulinda taifa kuzingatia misingi ya umoja wa taifa na uaminifu wa kisiasa, huku tukiuheshimu tofauti zetu za kikabila, kitamaduni na kidini;
- » Kuimarisha demokrasia na kugawa mamlaka ya Serikali;
- » Serikali ya kitaifa na za kaunti ni tofauti na zinategemeana;
- » Kulinda maadili na kanuni za uongozi katika utumishi wa umma;
- » Kuanzisha na kuimarisha mashirika huru na ya kikatiba ili kuhudumia Wakenya wala sio kuwafanya watumwa; na
- » Kuyapatia maadili kipaumbele katika utawala wa umma kwa manufaa ya wote.

Kila mtu ni sawa mbele ya sheria na ana haki ya kulindwa na kupata manufaa sawa ya sheria. Sheria inafaa kufikiwa kwa urahisi; taasisi za kisheria na kanuni zake zinapaswa kupatikana kwa urahisi na raia wa kawaida kwa lengo la kudumisha haki zao, kusuluhisha mizozo yao na kuwalinda kutokana na matumizi mabaya ya mamlaka ya umma au ya binafsi.

Matokeo ya kutotunza au kutoijua sheria ni dhuluma. Mafundisho ya Kanisa Kuhusu Jamii huthibitisha haja ya sheria katika jamii ili kulinda raia, kudumisha taratibu na kuwawezesha kuishi kwa amani. Manufaa kwa wote yanahitaji wote walio na mamlaka kwa raia wawe waangalifu na kudumisha usawa katika kusimamia, kulinda na kuimarisha haki za raia. Shughuli za serikali zinapaswa kupanua uhuru kadiri iwezekanavyo kwa kulinda kikamilifu haki muhimu za kila mtu binafsi.

## **TAFAKARI YA KIROHO**

**Mwanzo 15:5-12.17-18**

**Wafilipi 3:17- 4:1 or 3:20- 4:1**

**Luka 9:28b-36**

Injili ya leo inatualika kumsikiliza Yesu akitueleza kwamba sheria ni kwa manufaa ya wanadamu. Lengo lake ni kuhakikisha kwamba haki na hadhi za binadamu zinalindwa. Tunahimizwa kuheshimu utawala wa sheria.

Walinda sheria ni lazima waizingatie nyakati zote huku wakiheshimu haki za binadamu na hadhi. Maafisa wa umma wanahimizwa kudumisha utaalumu na utu, maarifa na busara bila kuvunjika moyo wala kukata tamaa. Watumishi hao watambue kwamba maisha ya wanaume na wanawake wengi – pamoja na matatizo na matarajio yao – hutegemea matendo na maamuzi ya watumishi hao.

Wahudumu wanapaswa kuzingatia sheria kwa kutekeleza kwa usahihi kanuni na masharti ya kisheria yanayohakikisha heshima kwa haki za msingi za kila binadamu. Wanafaa kuongozwa na dira ya mfumo usioweza kuondolewa wa kutii sheria, kujali mahitaji ya binadamu na kuwa na imani na mashirika ya umma.

Utamaduni unaoendelea kumea mizizi wa kupuuza sheria na kutojali kuadhibiwa unatia hofu. Baadhi ya watu binafsi wenye mamlaka, hasa wanasiasa, ambao hujiona wako juu ya sheria na huvunja sheria na kutoa matamshi yasiyofaa bila kujali kuadhibiwa. Mazoea haya yanafaa kuzimwa ili tudumishe utawala wa sheria.

Lakini tuna tatizo kubwa katika nyanja za umma na binafsi na madhara yake ni makubwa, hasa katika elimu. Matokeo yake ni kuongezeka kwa visa vya mazoea ya kutotii mamlaka, kutotaka kuwasikiliza wengine na kutokuwa na subira.

Shabaha ya kutekeleza mamlaka ni kufikia manufaa kwa wote na hali hiyo hubainika wakati mamlaka yanafahamika kama huduma, sawa na alivyofanya Yesu Kristo ambaye alikuja kuhudumu wala sio kuhudumiwa.

Kadiri raia wanavyohibitisha kwamba shabaha ya mamlaka ni kujaribu kuleta suluhu, kutoa majibu kwa mahitaji yao na kulinda haki zao, ndivyo watakuwa tayari kuzingatia maagizo, kuwa makini na kupata moyo wa kushirikiana na kuonyesha heshima.

# WIKI YA TATU ULANGUZI WA BINADAMU

## **TAZAMA: SIMULIZI**

**K**ijiji cha Kwenu kilijaa wanaume na wanawake mashuhuri. Mila na tamaduni zake zilizingatia kiwango cha juu cha maadili. Wanakijiji walijihusisha na kilimo na biashara ndogo, ikiwa ni pamoja na biashara ya kubadilishana bidhaa. Walizoea kusaidiana na ilikuwa ni rahisi kumtambua mgeni miongoni mwao. Maisha yao yalivutia watu wa jamii majirani waliohamia humo, wakaoana na kuwa sehemu ya jamii ya Kwenu.

Kadiri jamii ilivyozidi kuongezeka ndivyo rasilmali ziliendelea kuwa haba na kuwaacha wengi kung'ang'ana kutosheleza mahitaji muhimu. Haja ya kutafuta mbinu mbadala za kujikimu ikaibuka. Mpango, mkazi aliyehamia Kwenu, alianzisha kampuni ya kuwatafutia wanakijiji nafasi za kazi ng'ambo. Waliokuwa wakitafuta ajira na waliohitaji wafanya kazi walimlipa ada za juu alizotoza. Mahitaji makubwa ya wafanya kazi yalimsukuma Mpango kuwasajili wavulana na wasichana wadogo na kuwapelekea wateja ambao hakuwa na maelezo ya kutosha kuwahusu.

Mfansi, mtaalamu wa kusuka nywele na urembeshaji, ni miongoni mwa waliochaguliwa kwenda ng'ambo kufanya kazi. Alifurahishwa na nafasi hiyo akiamini ingempatia mshahara mkubwa na kuinua kiwango cha maisha. Aliuza biashara yake na mara tu alipowasili ng'ambo, kitambulisho chake, hati za usafiri na simu zilitwaliwa na waajiri wake. Alilazimika kufanya kazi tofauti na ngumu kwa saa nyingi kila siku bila kupumzika wala kupata malipo aliyoahidiwa. Akiugua, hakuruhusiwa kupata matibabu. Alijipata hoi na kujuta kupata hasara ng'ambo na kupoteza mali nyumbani.

Viongozi wa nyumbani walipopata habari za kusikitisha kuhusu Mfansi na wanakijiji wengine waliokwenda ng'ambo, waliamua kuwaelimisha wanakijiji kuhusu masaibu ya wenzao ugenini.

## **AMUA: UTATHMINI WA HALI HALISI**

Ulanguzi wa binadamu ni utumwa wa kisasa. Wanaume na wanawake wameendelea kushawishiwa kwa ahadi za uongo za maisha bora ugenini, huku watoto nao wakiendelea kutoroshwa hata na baadhi ya watu wanaowafahamu. Ripoti iliyotolewa na

Kenya mnamo 2020 kuhusu njia zitumiwazo na walanguzi wa binadamu inathibitisha kwamba ovu hilo limeenea nchini, na walanguzi wenye ari na bidii wanatumia kila mbinu kutambua njia mpya za usafirishaji na kuwanasa ‘wateja’ zaidi.

Ulanguzi wa binadamu nchini Kenya umeendelea kuenea kutokana na ongezeko la umaskini, uhaba wa nafasi za kazi na mahitaji ya watu binafsi na ya familia zao. Ndiposa wengi wanatafuta kazi katika nchi za Uarabuni, hasa Saudi Arabia. Wengine husafiri hadi Italia, Uingereza, India, Malaysia na Marekani kupitia kwa maajenti halali na haramu ya uajiri. Kuna wengine ambao huhamia maeneo tofauti ya nchi.

Ripoti moja iliyotolewa na Wizara ya Mashauri ya Kigeni ya Marekani mnamo 2020 imeiorodhesha Kenya kuwa chanzo, njia na nchi inayopokea wanaume, wanawake na watoto wanafanyizwa kazi ya lazima, wanaingizwa utumwani nyumbani na kudhulumwa kimapenzi. Mara nyingine wanatumiwa vibaya katika vyumba vya huduma za kukanda misuli na madanguro au kulazimishwa kufanya kazi ngumu ambazo hazihitaji utaalumu wowote.

Mojawapo ya athari za COVID-19 nchini Kenya ni hatari ya ongezeko la ulanguzi wa watu katika hali ambapo umaskini umechacha, ukosefu wa kazi unazidi na visa vya ufisadi miongoni mwa maafisa wa umma na wa mashirika binafsi vinaongezeka, bila kujali hatua zilizochukuliwa kukabiliana na matatizo hayo. Sababu nyingine ni kutojua, tamaa ya pesa, utekelezaji mbaya wa sheria, mipaka yenye njia nyingi haramu na wakazi wa nchi zilizoendelea kuhitaji pakubwa wafanya kazi wasiojali mishahara ya chini. Kenya ilipitisha sheria ya kukabiliana na ulanguzi wa binadamu ya 2010 iliyopiga marufuku ovu hilo na kuimarisha ushirika wa jamii katika vita hiyo. Serikali nyingi zinazingatia mpango wa kitaifa wa kuzuia, kukinga na kushtaki ili kukabiliana na ulanguzi wa binadamu.

Akihutubia manusura wa ulanguzi wa binadamu katika sherehe ya saba ya siku ya kimataifa ya kuomba na kuakisia juhudi za kupinga ulanguzi wa binadamu mnamo Februari 2021, Baba Mtakatifu Francis alisisitiza kuwa uchumi usio na ulanguzi wa binadamu unazo sheria za masoko zinazoimarisha haki wala sio kwa manufaa maalumu ya kibinafsi.

“Ninaongea nanyi nyote mnaopinga ulanguzi wa binadamu na walioungana kiroho siku hii ya sala duniani, ambayo pia ina lengo maalumu: *Uchumi bila Ulanguzi wa Binadamu,*” akasema

Baba Mtakatifu. Akikumbusha kwamba Februari 8 ni siku ya makumbusho ya kiliturjia ya Mtakatifu Josephine Bakhita – msichana mtumwa aliyetangazwa mtakatifu na aliye ishara kote ulimwenguni ya kujitolea kwa Kanisa kupinga utumwa. Kadhalika, Baba Mtakatifu aliwahimiza “watu wote wenye heri jema wafanye sala, washiriki, wasome na kutafakari kuhusu kupigana na ulanguzi wa binadamu, hasa waliokumbana na ulanguzi maishani.”

Mara nyingi waathiriwa hurudi nyumbani maisha ugenini yakiwa magumu na yenye dhiki na mateso yasiyoelezeka. Biashara hiyo ni ya kinyama na ni kinyume na Mafundisho ya Kanisa Katoliki Kuhusu Jamii. Sote tunapaswa kushirikiana kukomesha ovu hilo.

## **TAFAKARI YA KIROHO**

**Kutoka 3:1-8a.13-15**

**1 Wakorintho 10:1-6.10-12**

**Luka 13:1-9**

Somo la kwanza linatuonyesha kuwa Mungu hawezi kukubali watu wake kubaki utumwani. Yeye husikia kilio chao na kumtuma Musa kuwakomboa. Ulanguzi wa binadamu ndio utumwa wa nyakati zetu. Ulimwengu ukibaki kutazama huku ulanguzi wa binadamu ukiendelea, Kristo anawazungumzia wote wanaohusika na kuwatenga, kuwakataa na kuwadhuru watu wengine kupitia kwa biashara hiyo ambayo ni haramu. Kristo anawazungumzia viongozi katika jamii, wawe ni wa kidini, kiuchumi au kisiasa, akitumia maneno makali kama “wanafiki, pango la wezi, kizazi cha nyoka”, na matamshi mengine kuonyesha kutoridhika kwake. Anawakumbusha pia kuhusu hatari ya kupuuzwa jukumu la kuwalinda wengine. Wote wanaohusika na ulanguzi wa binadamu ulimwenguni wanapaswa kuisikiliza sauti ya Kristo kwa unyenyekevu.

Wanaohusika na biashara haramu na yenye mapato makubwa ya ulanguzi na ukahaba wanahitaji kuona aibu na kutambua madhara ya biashara yao. Wanaowanajisi na kuwatumia vibaya wanawake na hata kuwakandamiza katika madanguro na masoko ya ukahaba wanahitaji kuomba kuhurumiwa. Ulanguzi wa binadamu kwa shabaha ya kuwatumia vibaya katika ngono ni kinyume na alivyokusudia Mungu alipotuumba kwa mfano wake. Tamaduni zinazokubali ukahaba kuwa shughuli ya kawaida kwa jamii

zinahusishwa pia na ovu na kupanuliwa kwa masoko ya walanguzi.

Wakati umewadia kwa makanisa kutilia maanani hatua nyingi zinazoweza kuchukuliwa kukomesha ulanguzi katika mataifa unakoanzia, masoko na maeneo yatumiwayo kwa usafirishaji haramu, na kutafuta mbinu za kuwakomboa waathirika. Yajaribu kuvumbua mbinu za kurejesha hadhi, usawa na kudumisha haki za kila mwanadamu katika ngazi zake na mashirika.

Mjadala huu unaweza kusababisha mabadiliko makubwa hata makanisani. Walanguzi na wateja wao wanaowanunua wanawake na watoto kwa lengo la kujistarehesha kimwili wanastahili adhabu huku nao waliouzwa wanahitaji maneno ya ukombozi. Dunia inahitaji mwelekeo mpya unaothamini heshima, upendano, mapatano na usawa. Kanisa linahitaji kuwa katika mstari wa mbele kuuvumisha mwelekeo huo. Wakati umewadia wa kufanya mazungumzo thabiti kukabilia haraka iwezekanavyo na ovu la ulanguzi. Tunaweza kutenga siku katika kalenda yetu ya kiliturjia kuangazia maswala ya ujinsia, mamlaka, dhuluma, ukatili dhidi ya wanawake wanaoshurutishwa kuhusika na ukahaba au kuuzwa utumwani.

Kwa kuchukua hatua katika kila ngazi za kidini, kisiasa, kiuchumi na kijamii, makanisa yanaweza kuleta tofauti kubwa. Ukweli ni kwamba nguvu za mabadiliko hazipotelei kwenye mawimbi ya nyakati, ila huwa zimetulia na kusubiri wasaa muafaka.

# WIKI YA NNE KUJITOSHELEZA KWA CHAKULA

## TAZAMA: SIMULIZI

**B**araka aliondoka kutoka kijiji cha Msitu mara tu baada ya kufuzu masomo ya sekondari kwenda kujiunga na Chuo Kikuu cha Kilimo Bora kwa masomo ya digrii ya kilimo na mazingira. Baada ya kuhitimu, aliajiriwa kazi na kampuni kubwa ya ujenzi jijini Maghorofa. Ni kazi iliyokuwa na mshahara mzuri na marupurupu, hasa kwa sababu ya ongezeko la watu waliohitaji nyumba za makazi au kuwekeza katika ujenzi. Baraka na familia yake waliishi jijini na alijivunia mchango wake kwa ustawi wa jiji.

Baada ya muda, janga la maradhi ya kuambukizana lilitokea nchini, likavuruga uchumi, likasababisha wengi kufutwa kazi na kupanda kwa gharama ya maisha. Wengi walishindwa kuyamudu maisha, akiwemo Baraka, baada ya kufutwa kazi. Maisha yalipozidi kuwa magumu, aliamua kurudi kijijini. Alishtushwa na hali ya kuhofisha na kutisha ya kijiji chake ambacho zamani kilivutia.

Badala ya kufunikwa na miti, moshi ulijaa hewani na paa zenye mabati yaliyoingia kutu zilionekana kote kijijini. Joto lilienea kote, mashamba yalikauka na hayakuwa na mazao yoyote. Wakazi walilazimika kuagiza bidhaa ghali za kilimo kutoka nje. Baraka alipohoji kuhusu ni lini ilinyesha kwa mara ya mwisho, aliarifiwa miaka kadhaa ilishapita. Kijiji kilipokuwa kimefunikwa na kuzingirwa na misitu, ilikuwa ni kawaida kuona malori yakibeba makaa na miti katika iliyoonekana kuwa biashara yenye faida nono kwa baadhi ya wanakijiji binafsi. Wazazi walikatakata mashamba yao vipande vidogo ambavyo havikufaa kwa kilimo na wakawagawia watoto wao. Miti zaidi ilikatwa kutoa nafasi ya kiwanda cha matunda.

Baraka alikumbuka jinsi walikuwa wakipanda kahawa kwenye matuta ya mkingamo na kutumia mbolea kukuza maboga, kiasi kikuu, mihogo, *nduma*, miwa na mimea mingine ya kiasili katika mashamba yaliyojaa unyevu. Mbinu hii ya kilimo ilikuwa na manufaa tele, ikiwa ni pamoja na chakula cha kutosha na salama, hewa na maji safi, miamba ya chumvi kwa wanyama kulamba, madini mengi na watu wenye afya nzuri kwa jumla. Ukame na njaa zilikuwa nadra.

Baraka alitambua umuhimu wa mbinu ya kilimo mseto

iliyoshirikisha mitindo ya zamani na ya kisasa. Hatimaye alipata nafasi ya kutumia yote aliyojifunza chuoni. Alianzisha makundi ya wanawake na vijana ya kujihusisha na kilimo kilichotilia mkazo uhifadhi wa mazingira. Alianzisha pia miradi ya kukinga mazingira. Juhudi hizo zote alizifanya kupitia kwa Kanisa la kijijini na jamii zilisaidia kurejeshea Msitu sifa.

## **AMUA: UTATHMINI WA HALI HALISI**

Shirika la Chakula na Kilimo ulimwenguni (FAO) linaeleza kuwa kujitosheleza kwa chakula ni hali ambapo kila mtu anapata chakula cha kutosha, salama na chenye lishe kamili na nguvu zinazohitajika kwa maisha yenye afya. Nayo Kenya Food and Nutrition Security Policy (FNSP) inatoa muundo unaoangazia kujitosheleza kwa chakula na kuimarisha lishe unaotilia mkazo haki za msingi za binadamu, watoto, wanawake na haki ya kila mtu kupata chakula.

Juhudi za kujitosheleza kwa chakula zinatishiwa na kutotekelezwa kwa sera zilizopo, majanga kama vile mafuriko, ukame, COVID-19, na ufisadi. Hali hii imewaacha wakulima kutazama mimea yao ikinyauka na kukaukia mashambani bila lolote la kufanya. Kwa kutambua umuhimu wa kilimo katika kuwezesha watu kujitosheleza kwa chakula, viongozi wa nchi kadha za Afrika walikutana Maputo, Msumbiji, mnamo 2003 na kutia sahihi Mkataba wa Maputo Kuhusu Kilimo na Afrika Kujitosheleza kwa Chakula. Mkataba ulitaka kila taifa mwanachama wa Muungano wa Afrika kuahidi kutengea kilimo na ustawi wa maeneo ya mashambani angalau asilimia 10 ya fedha za matumizi ya kila mwaka kuanzia miaka mitano baada ya kusaini mkataba. Ingawa Kenya ilitia sahihi mktaba huo, bado haijatekeleza kikamilifu. Kilimo kinasimamiwa na serikali za ugatuzi lakini kaunti nyingi zinaendelea kushindwa kujitosheleza kwa chakula na hakuna yeyote aliyetenga kiwango cha chini kabisa cha pesa zinazohitajika.

Watu binafsi wanaojihusisha na kilimo cha mashamba madogo pamoja na mashirika ya kimataifa, wanahimizwa kuzingatia mbinu za kilimo endelevu, ambazo pia zinasaidia kutunza makao yetu sote. Janga la COVID-19 limeuthibitishia ulimwengu wote jinsi umeunganika kati ya watu binafsi, mataifa na rasilimali.

Baba Mtakatifu Francis, katika waraka wake wa kitume, *Laudato Si*, anatumia kutambua uhalisi wa mabadiliko ya hali ya anga. Anatukumbusha kuwa anga inafaidi wote, ni ya kila mtu na inakusudiwa kuwa yetu sote (namba 23). Ndiaposha mabadiliko

yoyote kwa anga, liwe nzuri au baya, hutufaidi au kutuathiri sote. Anaonya kuwa maskini ndio wanaathiriwa zaidi na badiliko la hali ya anga (namba 51). Anasimulia kuhusu kilio cha ardhi (namba 2) akisema ni kilio cha maskini. Dunia na maskini wamevumilia kwa kiwango sawa machozi ya dhiki. Ni kilio kinachoelezea sio tu uchungu lakini kutoa ombi la uwajibikaji.

Mwishoni wa maadhimisho ya mwaka wa tano wa *Laudato Si*, Vatican iliandaa muundo wa kutekeleza *Laudato Si* ambao umependekeza safari ya miaka saba ya kupata mazingira kamili inayohusisha mashirika ya Kikatoliki. Malengo saba muhimu ya mpango huo ni kuitika kilio cha ardhi; kuitika kilio cha maskini; uchumi unaojali mazingira; uzingatiaji wa maisha rahisi yasiyo na ubadhirifu; elimu ya mazingira; masuala ya kiroho yanayolenga mazingira; uhusika wa jamii na ushirika wa wote kwa vitendo.

Hii ni safari ambayo “itathibitisha kujitolea kwa jamii zetu kwa njia tofauti katika kuleta uendeleo kwenye moyo wa mazingira kamili”. Kila mmoja anahimizwa kuanzisha safari hii ya miaka saba, tukikumbuka kwamba: “Muumba wetu sote anatumia kuzingatia mbinu mpya ya kuishi, mbinu iliyo bora, ya kweli na iliyo nzuri” (namba 205). Lazima tuweke ahadi ya kuchukua hatua sote pamoja kwa sababu ni jambo la “dharura na muhimu” (*Laudato Si* namba 57).

## **TAFAKARI YA KIROHO**

**Yoshua 5:9a.10-12**

**2 Wakorintho 5:17-21**

**Luka 15:1-3.11-32**

Masomo yetu leo yanatupatia ujumbe muhimu wa upatanisho. Injili inasimulia kuhusu mwana mpotevu aliyechukua uamuzi binafsi, akijifikiria yeye mwenyewe tu na akamtaka babake ampe fungu lake la urithi, ilhali hakuwa amelitolea jasho. Uamuzi huu ulileta hali ya kutoelewana kwenye familia na kuvuruga upatanifu wao wa awali.

Ilibidi aende zake mbali na hata aliporudi, nduguye hakufurahishwa na uamuzi wa babake wa kumhurumia mdogo wake. Kama tu mwana mpotevu, maamuzi yetu ya kibinafsi yatokanayo na kujipenda, huharibu mazingira yetu kwa jumla. Katika *Laudato Si*, Baba Mtakatifu Francis anatumia jinsi maamuzi yetu

yameathiri mazingira. Hata wasio na hatia huumia kutokana na matendo yetu ambayo hatimaye huvuruga upatanifu wa awali.

Ingawa Afrika hajaichangia pakubwa katika mabadiliko ya hali ya anga, haijaepuka madhara yake. Inakisiwa kwamba kufika mwisho wa karne ya 21, watu zaidi ya milioni 180 wataathiriwa na madhara ya mabadiliko ya hali ya anga katika nchi za Afrika za kusini ya Jangwa Sahara.

Ukataji ovyo wa miti na madhara ya uchafuzi wa hewa ni mambo yasiyoweza kupuuzwa. Masuala ya kimataifa na ya kindani, ikiwa ni pamoja na ubepari, ubadhirifu na fikra za kupenda mabadiliko, yamechangia majanga ya asilia katika Afrika, yameharibu mazingira na makazi ya asili. Hakuna awezaye kupuuzilia mbali hali ya hatari inayokumba mazingira ulimwenguni na athari zake kwa uhai wa binadamu, wanyama na mimea katika Afrika. Maji ni muhimu kwa binadamu, viumbe wengine wote na mimea. Teknolojia duni za uhifadhi wa maji zinatatiza kupatikana kwa urahisi kwa maji yawezayo kubebwa kwa mitungi na vifaa vingine kwa matumizi ya nyumbani.

Binadamu wote wanapaswa kupigana na uharibifu wa mazingira ili kuyalinda na kuyasimamia kama alivyotarajia Mungu. Tunapaswa kuelimisha watu wetu kila mara kwa nyaraka za kitume kuhusu kukinga maumbile. Tunalinda mazingira yetu kwa sababu hayo ndiyo mapenzi ya Mungu na anatutaka tufanye hivyo.

Tukiwa Waafrika, tunahitaji kuzingatia maarifa ya kisayansi yanayojali maadili katika kuzalisha chakula, kutunza mazingira yetu kwa kukataa kutumiwa kama maajenti wa uchafuzi, na kuishi kwa njia endelevu kuambatana na mapenzi ya Mungu. Tunapaswa kujitunza huku tukijali upatanisho na majirani zetu. Machoni mwa Mungu, vyote alivyoviumba ni vyema. Tunapaswa kuheshimu hadhi ya kila kitu kilichoumbwa na Mungu. Bado tuna nafasi ya kuchagua kutumia kawii safi. Maisha yetu yanahatarishwa na chakula tunachokula, hewa tunayopumua na maji tunayokunywa. Ni muhimu kuwa na busara na kuzingatia uaminifu katika upangaji wa jinsi ya kutumia mali asili. Mapenzi ya Mungu ni kwamba tuwe wasimamizi na watunzaji wa maumbile wenye akili ya kujali badala ya kuwa waharibifu wenye nia ya kutumia vibaya.

Dunia asili inapochafuliwa na kuharibiwa, huwa hakuna usimamizi wa kufaa wa mazingira kulingana na mapenzi ya Mungu. Kutambua maadili ya mazingira kama vile kulinda udongo, misitu,

mimea na wanyama ni kuheshimu mapenzi ya Mungu. Kupigana na uchafuzi, ukataji wa miti na kuzuia mmomonyoko wa udongo ni muhimu katika kulinda maisha ya binadamu, kwani Mungu alitaka tuwe na afya njema maishani na mazingira thabiti. Badala ya kutimiza wajibu wao wa kushirikiana na Mungu katika kazi yake ya kuumba, matajiri huamua kuchukua mahala pa Mungu, na matokeo yake ni kuharibu mazingira badala ya kuyasimamia ipasavyo, na kusababisha madhara ya mabadiliko ya hali ya anga ambayo tunashuhudia. Kila Mkristo anapaswa kuwa mfano na kuongoza jamii yake katika kutetea uadilifu na utunzaji wa mazingira.

# WIKI YA TANO

## VIJANA NA UCHAGUZI WA AMANI

### TAZAMA: SIMULIZI

**M**ji wa Kotoe ulikuwa na vilabu vitatu vya soka na mechi zake nyingi zilichezwa wakati shule zimefunga. Kila timu iliwakilisha ukoo na shughuli zake ziliendeshwa kuzingatia mifumo tofauti ya uongozi ya ukoo. Baada ya muda, wachezaji walianza kuhama vilabu kutokana na mizozo ya kindani ya viongozi ambao wengi kati yao hawakuchaguliwa na yeyote, baadhi yao walinunua nyadhifa hizo ama waliungwa mkono na wanasiasa. Hali ya kutoaminiana ilienea na migogoro ikachacha.

Migogoro hiyo ya uongozi ilikwamisha shughuli za vijana. Matokeo yakawa ni kuwaacha vijana wavuruge amani na utulivu katika Kotoe kwa kuhusika na utumiaji mbaya wa dawa za kulevya na mihadharati, kuzusha fujo na kuenea wizi wa mabavu. Usalama Kotoe ulizorota na vijana wakaidi wakavuruga biashara. La kusikitisha ni kuwa baadhi ya wazee waliunga mkono utumiaji mbaya wa dawa za kulevya na wengine wakafadhili vurugu.

Kundi la wazee wenye busara wa pande zote tatu na ambao walisumbuliwa na jinsi mambo yalivyozorota, walikutana kusudi kutafuta jinsi ya kukabiliana na maovu yaliyokumba jamii na kuharibu vijana wao. Waliandaa kanuni za uchaguzi wa maafisa wa vilabu vya soka na kuweka mikakati ya utatuzi wa mizozo. Vilabu vilihimizwa kukutana kila mara ili kushauriana na hatimaye kuleta ufanisi sio tu katika timu zao lakini pia kwa wanasoka binafsi. Haikuchukua muda kabla ya baadhi ya wachezaji kujiunga na timu za kitaifa na kimataifa, jambo lililowatia moyo vijana zaidi katika Kotoe na wakajiunga na timu za kijijini. Usalama Kotoe na hali ya kiuchumi ziliinuliwa na pesa kutoka kwa mashirika ya soka ya kitaifa na kimataifa ili kukuza vipawa vya vijana wa nyumbani.

### AMUA: UTATHMINI WA HALI HALISI

Ni muhimu kuwahusisha vijana katika siasa na shughuli nyingine za manufaa. Ushirika wa wote ni haki ya kimsingi katika siasa na demokrasia lakini ni muhimu pia katika kujenga jamii thabiti na zenye amani. Kifungu 100(c) cha Katiba kinahimiza kutungwa kea sheria kuimarisha uwakilishwaji Bungeni wa vijana. Ili kuwakilisha vijana kikamilifu katika asasi za kisiasa, taratibu na harakati za kuchukua maamuzi, na hasa uchaguzi, ni lazima

waelimishwe kuhusu haki zao na wapewe maarifa na kuwezesha kushiriki ipasavyo katika kila ngazi. Vijana na jamii yote kwa jumla wanahimizwa kuimarisha amani na mshikamano katika jamii yetu. Kanisa linapaswa kuwajenga na kuwakua vijana kwa kuwafundisha desturi na maadili ya manufaa kwa wote. Mafundisho ya Kanisa Kuhusu Jamii yanaeleza kwamba: "... walio na majukumu ya kisiasa hawafai kusahau wala kudunisha umuhimu wa kuungwa mkono kwenye uwakilishi wa kisiasa ..." (ibara, 410).

Hivyo basi, viongozi wa kisiasa wanapaswa kukoma kuwachochea vijana kuzusha fujo na badala yake kuunda sera za kuwawezesha vijana kupata uongozi. Kanisa linafaa kukuza upendo wa Kikristo miongoni mwa vijana kwani migawanyiko haionyeshi kamwe mfano wa Mungu. Kupitia kwa mafundisho yake, Baba Mtakatifu John Paul II amekariri kila mara wajibu wa vijana katika uhai wa Kanisa. Anaeleza kwenye waraka wake wa kitume kwa Sinodi ya Afrika: "Vijana ndio wainjilisti bora zaidi miongoni mwa wenzao. Hakuna awezaye kufanya kazi hiyo kwa ubora zaidi kuwaliko. ... Ujana ni kipindi muhimu cha ukuaji kimwili, kiroho, kiakili na kijamii. Kadhalika, ni wakati ambapo maadili yao, ustadi wa maisha, ahadi na misimamo ya maisha na maadili huundika..."

## **TAFAKARI YA KIROHO**

**Isaya 4:16-21**

**Wafilipi 3:8-14**

**Yohane 8:1-11**

Katika Injili ya leo, tunaona jinsi Yesu alivyochagua kutetea haki kuliko kuunga makubaliano ya jamii yanayonyanyasa. Unapochukua uamuzi, isiwe unafuata msimamo wa walio wengi, ila unachagua lililo sahihi na la haki. Vijana Wakatoliki wanahitaji kujikakamua, kuongoza na kutetea haki na ukweli katika jamii. Wanapaswa kufikiria jinsi ya kushiriki katika mashauri ya jamii kutokana na upendo kwa jirani. Wanapaswa kuhusika katika siasa ili "kujenga jamii na maisha kikamilifu". Katika jamii kama yetu ambapo siasa zinatawaliwa na wazee, vijana wanahitaji kubeba jukumu la kuhakikisha ushawishi wao sio tu wa idadi lakini pia wanaweza kuthibitisha kiwango na uhusika wao katika siasa zinabainika na kuimarika. Vijana wanahitaji kupiga kura ili kulinda na kuongeza manufaa kwa wote, na kuendeleza maono ya jamii. Vijana waumini wanahimizwa kuwa wanasiasa,

washauri walio na fikra nyingi na watetezi wa masuala ya jamii wanaonua kuleta mabadiliko ya maana. Mungu ana marajio yake kwao. Kama anavyoshauri Pope Francis: “Inasikitisha sana kupitia katika maisha bila kuacha alama.” Kusema kweli, hii sio safari rahisi. Mungu hakunua kondoo wake wawe na maisha ya starehe. Kumfuata Yesu kunahitaji ujasiri na moyo wa kuwa tayari kuacha starehe na anasa za nyumbani. Tunahimizwa kuwa vyombo vya mwito wa Kanisa. Vijana hawafai kamwe kupuuza siasa na kadiri wanavyoshiriki katika kuleta mabadiliko ya kisiasa, na hata wenyewe kuwa wanasiasa, ndivyo Kanisa linabadilisha maisha. Kwa kufanya hivyo, huwa wanaeneza Injili. Vijana Wakatoliki wanapojumuika, wakipigania yaliyo na manufaa kwa wote, jamii hupata mabadiliko bora na stahilifu.

## SALA YA KUMTAKIA MTUMISHI WA MUNGU KUTANGAZWA KUWA MTAKATIFU

**E**Mungu, ulimpa mtumishi wako, Maurice Kadinali Otunga, neema ya kuwa mchungaji wa kipekee katika utumishi wa Kanisa; ukamfanya kuwa ishara ya unyenyekevu na mapenzi kwa maskini na wasiobahatika katika jamii, huku akijinyima na kujitenga na anasa za dunia hii. Twakusihi utupe nasi uwezo wa kuzingatia imani kamili katika kutekeleza matakwa yote ya utumishi wa Kikristo, huku ukizibadili kila nyakati na hali za maisha yetu kuwa nafasi za kukupenda wewe na majirani zetu kwa furaha na ukarimu, na kuutumikia ufalme wa Mungu kwa unyenyekevu.

Tunakuomba kwa unyenyekevu umpe mtumishi wako, Kadinali Otunga, nafasi kwenye makao yako takatifu mbinguni, nafasi ambayo imeahidiwa waliokutumikia vyema duniani. Kwa maombi yake, libariki Kanisa lako, nchi yetu, familia zetu na pia watoto, na ututimizie yote tunayokuomba ... (ongeza maombi na nia zenu). Kupitia kwa Yesu, mwokozi wetu.

**Amina.**

# SALA YA KAMPENI YA KUPAMBANA NA UFISADI

## NA TUKATE MNYORORO WA UFISADI

**B**aba yetu uliye mbinguni, umekuwa ukijali viumbe vyako vyote ili tuishi kulingana na mapenzi yako. Umeibariki nchi yetu kwa watu wenye vipawa vingi na kutupatia mali asili za kutumiwa kwa sifa na utukufu wako na kwa manufaa ya kila Mkenya.

Tunahuzunishwa sana na utumiaji mbaya wa hizi zawadi na baraka zako kwetu kupitia kwa tendo la ufisadi ambalo limesababishia watu wengi njaa, magonjwa, kuwanyima makao na kuwafurusha makwao, kuwaacha wengi bila elimu na kinga yoyote maishani. Baba, ni wewe pekee uwezaye kutuponya kutokana na ugonjwa huu ambao hatima yake ni mauti.

Tunakusihii uguse maisha yetu na ya viongozi wetu ili tutambue uovu wa ufisadi na kujitahidi kikamilifu kuliangamiza jinamizi hilo. Kwa raia yeyote ambaye amejipatia chochote kifisadi, Bwana, mpe nguvu na ujasiri wa kukirudisha na kukurejelea.

Tunakuomba utupe raia wanaomcha Mungu na viongozi wanaotujali na ambao watatuongoza katika njia ya amani, haki, ufanisi, maendeleo, na la muhimu zaidi, upendo.

Tunaomba hayo kupitia kwa Kristo Bwana wetu.

**Ee Bwana tunakuomba utusikie.**
